Collection for Cubans.

The collection taken up by the pupils of the public schools for the relief of Cuban distress was a success in every way. The pupils enjoyed their labor in behalf of suffering humanity and learned one of the things frequently lacking in text books, but without which no education is complete, namely sympathy for distress. While the sum may seem small at first, a second thought shows the wonderful possibilities if every school in this country gave proportionately. Iola can be justly proud of the showing which is given in grades below:

High School \$5.14, Mr. Henderson's room \$2.00, Miss Brown's room \$1.93, Miss Rickett's room \$2.90, Mrs. Crook's room \$2.44, Miss Minrow's room \$1.33, Miss Ausherman's room \$2.10, Miss Woodin's room \$1.22, Mrs. Cooper's room \$1.62, Miss Bostwick's room \$1.83, Miss Adam's room 43 cents. Total \$23.50.

Additional Telephones.

The Iola Telephone Exchange is a success and is growing as the following list of new 'phones to be put in at once testifies. There are at present seventy on the line and about twenty new ones have been spoken for. Among them are these: Sleeper's Store, S. A. Gard's office, F. S. Bennett's office, City Hall, Brewer residence, E. H. Ruble's residence, C. S. Ritter, A. W. Beck, Miss Howett, F. W. Fitzgerald, Harmon Hobart, Lute Hutton, C. L. Whitaker and Carl Williamson.

Pneumonia Cured.

Mrs. A. J. Lawrence, of Beaver, Pa., says: "Brazilian Balm brought me out of a severe attack of pneumonia in splendid shape. It is a wonderful remedy for coughs and lung troubles. Also, for outward use, for burns, cold-sores, and chapped hands and face, it cures like magic. It is invaluable in the family."
